**PART II. BLANKET PURCHASE AGREEMENT (BPA) TERMS AND CONDITIONS:**

**Period of Performance:** The total period of performance for this BPA will be from the effective date specified on page 1 Block 3 of the SF1449 through October 31, 2014. Deliveries shall be in accordance with the schedule specified in clause 52.211-9 herein. The period of performance and/or lead time for delivery for each BPA order will be specified in that order.

**Extent of Obligation:** The Government is obligated only to the extent of authorized purchases actually made under the BPA by authorized personnel, against authorized line items. Except to the extent of BPA orders issued hereunder, this Agreement shall neither constitute a contractual obligation of Government nor obligate Government funds in any way. BPA orders with fund citations listed thereon will be issued by the Contracting Officer (CO) to cover all requirements and will serve as the obligating document; orders issued under this Agreement shall result in a binding contract upon receipt by the Contractor. As barrel(s) of AK-225G solvent are required, an authorized Contracting Officer (CO) in the SSC Office of Procurement will place calls against the pre-approved price list and the Contractor will be required to perform in accordance with all terms and conditions of the BPA. Nothing in this Agreement shall be construed to guarantee that the Contractor will receive any or all orders for the type of work set forth in this Agreement. The Government reserves the right to solicit other firms for any or all of this type of effort.

**Pricing:** The contractor shall provide a current price list for the supply and delivery of 55-gallon barrels of the AK-225G Cleaning Solvent to SSC as noted herein. The price list shall include all duties, fees, transportation, shipping, etc. required to supply and deliver the AK-225G solvent. The price list shall include estimated delivery times. For example: Orders under 10 barrels @ 4 weeks After Receipt of Order (ARO); Orders between 11 and 20 barrels @ 8 weeks ARO; Orders greater than 20 barrels @ 12 weeks ARO; Maximum order at one time within a 4 week period = 40 Barrels. The approved price list will be considered current pricing for a period of one year from the date of the agreement unless written notice is provided to the CO thirty (30) days in advance of any change to the approved price list. The price list must be approved by the CO prior to use. Prices listed may be updated annually.

**Purchase Limitation:** The total of all orders placed against this BPA shall not exceed \$1,500,000.00. The maximum quantity that may be purchased under this agreement is 100 barrels.

**Individuals Authorized to Purchase Under the BPA:** Only Warranted Contracting Officers employed by the NASA/SSC Office of Procurement are authorized to issue orders under this BPA, which will be accomplished by issuance of a written BPA order.

**Delivery Tickets:** All shipments under this agreement shall be accompanied by delivery tickets or sales slips which shall contain the following information:

- (A) Name of Supplier
- (B) BPA Number
- (C) Date of Order Placed
- (D) Name of Individual Placing Order
- (E) Order Number
- (F) Itemized list of supplies or services furnished
- (G) Quantity, unit price and extension of each item, less applicable discounts
- (H) Date of Delivery

**Ordering:** Each BPA holder will be considered for each order exceeding the micro-purchase threshold, currently \$3,000, using the current approved price list for the AK-225G solvent available under this BPA, unless one of the following statutory exceptions applies:

- (A) The agency need for the supplies or services is so urgent that providing a fair opportunity would result in unacceptable delays
- (B) Only one awardee is capable of providing the supplies or services required at the level of quality required because the supplies or services ordered are unique or highly specialized
- (C) The order must be issued on a sole-source basis in the interest of economy and efficiency as a logical follow-on to an order already issued under the contract, provided that all awardees were given a fair opportunity to be considered for the original order
- (D) It is necessary to place an order to satisfy a minimum guarantee

**Invoices:** A summary invoice shall be submitted at least monthly or upon expiration of this BPA, whichever occurs first, for all deliveries made during a billing period, identifying the delivery tickets covered therein, stating their total dollar value, and supported by receipt copies of the delivery tickets.

Invoices shall be sent to:

In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.
